

SITOOOL

MERRYFAIR®

Seating Products

Sleek, Modern, Fun

Sitool's single continuous form is achieved with the seat shape's unique design & the hidden gas spring's cylindrical cover. The trumpet-shaped base completes Sitool's sleek silhouette.

Whether you are in a work or social environment, Sitool provides you with an engaging & comfortable user experience.

Sitool's unique seat shape design was inspired by a sting ray's flying & unfettered motion. The user is unencumbered when changing positions or when getting on & off Sitool.

Model 305B NA A00 Y

Fun & Function

Sitool also provides both fun and function, for many types of spaces. Perfect for cafe areas, break room & gathering spaces.

Self-balancing

Sitool returns to upright position after use.

Features

Seat Shape

The cool and unique design of the seat shape was inspired by the sting ray, which swims with a flying motion, free style, without fetter in the sea, which is what Sitool is all about. Free to change position, easy to get up from, gives the busy person a quick rest stop.

Upholstery Pads

Upholstery choice is offered in fabric, genuine leather or synthetic leather, in various colours.

Seat Height Adjustment

Seat height buttons easily access under the seat. Height is controlled by a gas spring which is hidden by a cylindrical cover to give Sitool a single continuous form.

Base

A trumpet-shaped base further enhances sitool's sleek profile. An internal counter weight provides self-stabilizing action, while a soft elastomer sole grips different types of floor surfaces. Both are carefully selected to give the user confidence to use sitool in many different sitting positions.

Products From Left to Right.
