MERRYFAIR®

Seating Products

Seating Excellence at Work

Juvel is Swedish for jewel, or gem. The inspiration behind Juvel came when the designer was attracted to paper art. Juvel combines not only shades that evoke facets of a cut jewel, but also hints at influence of Japanese folding handicraft, Origami (摺紙).

Comfort

Seat and back surfaces are gently contoured in the center to provide comfort without detracting from the angular design aesthetic.

Sustainability

It is lightweight, durable and stackable. Washable.

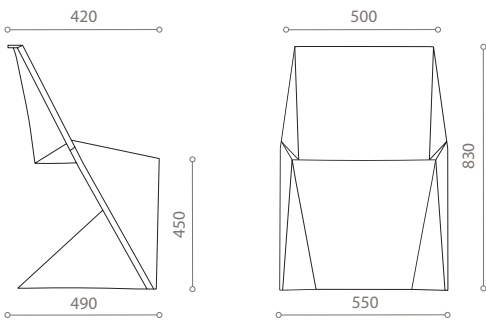

Appearance

A matt surface lends a pleasant texture to the angular surfaces.

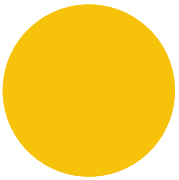

Specification

One piece injection moulding of fiber-reinforced polypropylene with 2 year indoor UV resistance.
