MERRYFAIR®

PRIZM

Seating Products

MERRYFAIR reserves the right to introduce modifications and withdraw models for continuous improvements without prior notice.

PRIZM is a versatile modular seating and platform system designed for ultimate flexibility in space planning. Each trapezoid-shaped module can be arranged freely to suit different activities – from casual seating to functional displays. With its acoustic-friendly construction and geometric form, PRIZM blends playful creativity with practical performance, making it ideal for libraries, townhalls, cafés, waiting areas, and collaborative spaces.

Freedom of layout

Modular units can be placed individually, grouped, or stacked to form unique arrangements.

Multifunctional

- Bench Seat
- Bookshelf
- Storage
- Table Top
- Podium Step

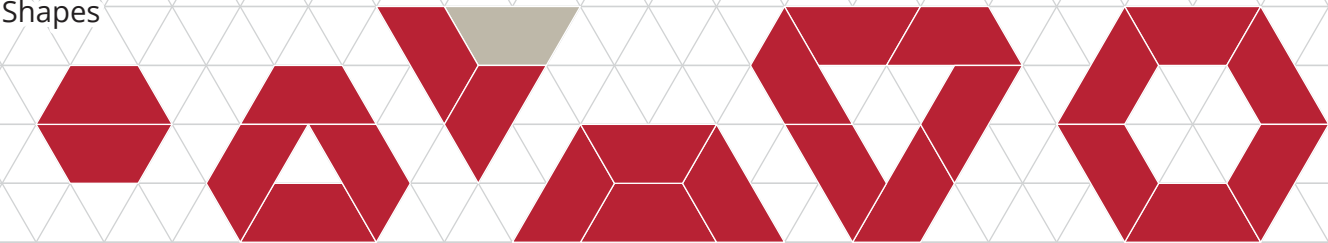

Acoustic Absorber

Specially designed holes, combined with the internal cavity, function as Helmholtz absorbers to effectively reduce ambient noise in open spaces.

Top 2 Options

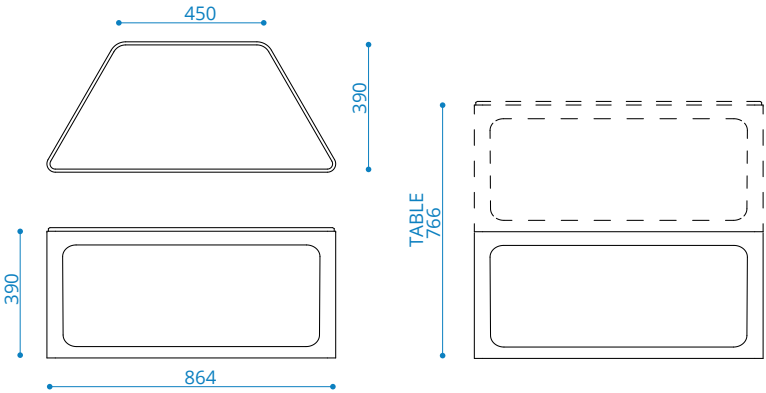

Hard Plastic Top
Durable and easy to clean, ideal for use as a table surface or podium step. Features a raised lip to prevent pencils rolling off table top.

Soft Upholstered Top
Fabric or PVC padding for enhanced seating comfort.

Base

Multi-functional shell that doubles as storage or shelving. Designed with perforated patterns to improve acoustic performance. Made from moulded polypropylene in elegant taupe colour, fully 100% recyclable.
